### THE MARYLAND-NATIONAL CAPITAL PARK AND PLANNING COMMISSION

### NOTICE OF INITIATION FOR A NEW FUNCTIONAL MASTER PLAN: THE COUNTYWIDE RESOURCE CONSERVATION FUNCTIONAL MASTER PLAN

On September 15, 2015, the Prince George's County Council approved Council Resolution CR-54-2015, which authorizes The Maryland-National Capital Park and Planning Commission to prepare a new functional master plan that covers the topics of green infrastructure, countywide agricultural uses, and rural character conservation. The Countywide Resource Conservation Functional Master Plan ("the Resource Conservation Plan" or "RCP") will combine the related elements of green infrastructure planning and rural and agricultural conservation into one functional master plan in order to streamline the process, meet state requirements for planning elements, and more efficiently update existing plans and maps. The Council simultaneously approved the goals, concepts, and guidelines and a public participation program for this countywide planning project.

The purpose of this notice is to inform citizens and property owners of opportunities to participate in this planning process. Community outreach will consist of Planning Department staff participation in already scheduled meetings of local organizations. If you would like to have someone come to your organization's meeting, please contact the Project Manager, CJ Lam-mers (contact information below). Staff participation in scheduled meetings of local organizations will begin in October of 2015. A community workshop providing residents an opportunity to give direct input on draft elements of the plan is scheduled to take place in early spring of 2016. We encourage you to participate by joining our project contact list, reviewing the project goals and timeline, requesting a speaker at your organization's meeting, and obtaining the most current information at: http://www.pgplanning.org/Projects/Resource\_Conservation\_Plan.htm.

Prior to each meeting, it is recommended that you verify the time and location by checking the project website.

This project is starting just after the completion of considerable outreach efforts for the update to the General Plan called Plan Prince George's 2035. The input received during this and other recent planning efforts will be fed directly into the RCP project.

Your ideas and participation are sought throughout the process to provide County staff and planners with your community's perspective on these topics. The County Council is scheduled to hold a work session on the draft plan in the fall of 2016.

IMPORTANT NOTICE TO RESIDENTS AND BUSINESS AND PROP-ERTY OWNERS: The public input sessions and workshop will lead to public hearings by the Prince George's County Planning Board and the Prince George's County Council. These hearings will be important to persons owning land in the County because the plan may establish polices that can help define the type, amount, character, and location of future conservation efforts and land development.
