Such bonds may be sold for such price or prices as may be determined to be for the best interest of the County, either at, above or below the par value of any such bonds, and such bonds may be sold in conjunction with other series of bonds issued by the County in which event the notice of sale soliciting bids for the purchase of such bonds may require that the acceptance of any bid for any series of bonds be made contingent upon the acceptance of the bid or bids on all or any of the series being offered by the County for sale at the same time. When such bonds are sold in conjunction with other series of bonds, the said notice of sale may also require that consolidated bids shall be submitted on any two or more of such series of bonds.

Nothing in this Act shall in any way limit the authority provided for the refunding of County indebtedness by MD. CODE ANN., LOCAL GOV'T. § 19-207 (2016), as amended or supplemented from time to time or by any other applicable law, and all such authority is intended to be available to the County to refund any indebtedness incurred pursuant to this Act to the maximum extent provided by such authority.

SECTION 3. BE IT FURTHER ENACTED that this Act shall be submitted to the legal voters of the County, for their approval or disapproval, at the general election to be held in the County on Tuesday, November 8, 2016. The question to be certified to the Board of Supervisors of Elections of the County for inclusion on the ballot for said general election shall be in substantially the following form:

SECTION 4. BE IT FURTHER ENACTED that the powers granted by this Act are additional and cumulative and the bonds to be issued pursuant to this Act may be issued, notwithstanding that other bond acts or laws may provide for the issuance of other bonds or the borrowing of money for the same or similar purposes on the same or other terms and conditions. This Act shall be liberally construed to effectuate its purposes, namely, to authorize the borrowing of money and the incurring of indebtedness to finance the described capital projects of the same generic class set forth in this Act. Provisions of this Act shall be deemed met and satisfied if there is substantial compliance with such provisions, including (without limitation) provisions relating to the submission of any question to the legal voters of the County which are intended only to provide fair and adequate notice to such voters and not to prescribe provisions which must be literally satisfied. This Act is not intended to provide or imply that this act or any prior act not containing a similar provision precludes the County from exercising any power or prerogative provided by this Act or any other law whether exercised solely pursuant to such other law or in conjunction with the powers provided by this Act so that, without limiting the generality of this section, the County may exercise the power to issue (i) bond anticipation notes (in anticipation of the issuance of bonds pursuant to this Act or otherwise) and grant anticipation notes pursuant to MD. CODE ANN., LOCAL GOV'T. § 19-212 (2016), as amended, replaced, or recodified from time to time, and (ii) bonds (or any related bond anticipation or other notes) authorized by MD. CODE ANN., ECON. All costs of deed recordation including but not limited to all transfer, recordation, agricultural or other taxes or charges assessed by any governmental entity as a condition to recordation, are payable by purchaser, whether or not purchaser is a Maryland First Time Home Buyer. Purchaser is responsible for obtaining physical possession of the property, and assumes risk of loss or damage to the property from the date of sale. The sale is subject to post-sale audit of the status of the loan with the loan servicer including, but not limited to, determination of whether the borrower entered into any repayment agreement, reinstated or paid off the loan prior to the sale. In any such event, this sale shall be null and void, and the Purchaser's sole remedy, in law or equity, shall be the return of the deposit without interest. If purchaser fails to settle within ten days of ratification, subject to order of court, purchaser agrees that property will be resold and entire deposit retained by Sub Trustees as liquidated damages for all losses occasioned by the purchaser's default and purchaser shall have no further liability. The defaulted purchaser shall not be entitled to any surplus proceeds resulting from said resale even if such surplus results from improvements to the property by said defaulted purchaser. If Sub. Trustees are unable to convey either insurable or marketable title, or if ratification of the sale is denied by the Circuit Court for any reason, the Purchaser's sole remedy, at law or equity, is the return of the deposit without interest.
